

St Bernadette's Athletics Carnival 2009

The day went off well. A special thanks to all children for their outstanding behaviour throughout the day. The day saw children involved in Long Jump, Discus, 800m races, 100m races, 200m races and a range of relay games.

Congratulations to the children who received place ribbons in the heats of the track and field events in their age group at the carnival. Special congratulations to those children who placed in the top three overall in their age group events and have received ribbons during this week.

An extra special thanks to all of the parents and teachers who worked throughout the day to keep the carnival running smoothly and ensure that all of the children had chance to participate in the carnival events.

Congratulations to the Age Champions and Age Runner- Ups for this year!
